# ATMOSPHERE TV

<b>Supplier Name</b>	Atmosphere TV
<b>Contact</b>	<b>Charlie Holiday</b> <a href="mailto:charlie.holiday@atmosphere.tv">charlie.holiday@atmosphere.tv</a>
<b>Offering</b>	<b>Streaming TV Platform</b>
<b>Ordering</b>	<b>5-7 Business Days</b>
<b>Pricing</b>	Currently, our relationship with Snap Fitness allows for no activation fee for Atmosphere devices but each location using the service must actively stream the service at least 40 hours a month.
<b>Setup &amp; Support</b>	Atmosphere requires an internet connection and all you need to know is in the box and in our knowledge-base located at <a href="http://help.atmosphere.tv">help.atmosphere.tv</a> . Our device / service is intended to be self-installed and it is simple to do so. However, our Customer Success team is available to respond to general questions & technical support during US business hours. Please email <a href="mailto:help@atmosphere.tv">help@atmosphere.tv</a> directly and a ticket will be created, triaged and responded as quickly as possible.
<b>Returns</b>	If locations close or change hands, it's the owner's responsibility to alert us at <a href="mailto:help@atmosphere.tv">help@atmosphere.tv</a> so we can mark it accordingly on our system and where applicable, we will send a return label to return the hardware to us within 30 days. Currently, this return policy applies to US locations as the cost to send & return the device internationally can, at times, cost more than the hardware itself but we will be working with a partner shortly in these regions to bulk return hardware to us.

**Description:** Atmosphere is the largest streaming TV platform built for businesses. Fun, viral-style entertainment for your customers + Snap Digital fitness content and the ability to run digital signage on the TV's inside your business.
